

## ALL SAINTS CHURCH

### FEE SCHEDULE

Effective November 1, 2009, All Saints Church has adopted the following **facility use fee** schedule. Except for child care, the schedule is based on 4-hour (half day) segments. *All fees should be paid prior to use.* Checks should be made payable to: All Saints Church.

Child care	\$12/hr./child care provider
Classroom	\$50
Narthex	\$75
Sanctuary	\$150

In addition to the usage fee listed above, a **cleaning fee** may be necessary depending on duration and type of use. The fee for cleaning services *will be paid directly* to Triangle Business Cleaning Services. People using the facility do not have the option of substituting their own labor or that of another cleaning company for the services of Triangle Business Cleaning Services.

Similarly, if a **sound technician** is needed to operate the Sanctuary sound system, a separate fee of \$50/hour *will be paid directly* to the sound technician. People using the facility do not have the option of substituting their own technician for a trained church sound technician.

A separate fee schedule applies to weddings. See the Facilities Manager for more information.
